

CONFERENCE

The Integrative Dermatovenerology
and Cosmetology.
New standards of collaboration

December 10–12, 2021

(((ONLINE)))

Friday, 10 December, 2021

Day 1

09:00 - 10:00

Registration of participants

Hall №1

10:00 - 10:45

Opening ceremony of the Conference. Greeting

Presidium:

Verbovoy D.N., Kruglova L.S., Boyarintsev V.V., Manturova N.E., Tutelyan V.A., Reshetov I.V., Razumov A.N., Kamalov A.A., Bobrovnitskiy I.P.

Plenary talk. Psoriasis in the context of integrative medicine

Kruglova L.S. (30 minutes.)

**FIRST INTERNATIONAL PLENARY SESSION
OF PSORIASIS RESEARCH EXPERTS**

11:00 - 11:30

Keynote Lecture

Psoriasis and depression

Prof. Mohammad Jafferany (Michigan, USA) (30 min.)

11:30 - 13:00

Satellite symposium

Possibilities and perspectives in the treatment of psoriasis and psoriatic arthritis. A practical approach.

Co-chairs: Kruglova L.S., Korotaeva T.V., Bakulev A.L.

The effectiveness and safety of netakimab

Bakulev A.L. (Saratov) (15 min.)

Psoriasis of difficult localizations

Khairutdinov V.R. (St. Petersburg) (15 min.)

Psoriasis and psoriatic arthritis

Korotaeva T.V. (Moscow) (15 min.)

Disability prevention in patients with psoriasis and psoriatic arthritis

Olisova O.Yu. (Moscow) (15 min.)

Psoriasis and comorbid diseases

Kruglova L.S. (Moscow) (15 min.)

Discussion (15 min.)

13:15 - 14:45

Round Table

Interdisciplinary approach in the treatment of patients with psoriasis and psoriatic arthritis

Moderators: Kokhan M.M., Zagrebneva A.I.

Psoriatic arthritis: current issues in early diagnosis

Zagrebneva A.I. (20 minutes.)

Current treatment options for patients with psoriasis, focus on long-term efficacy and safety

Kokhan M.M. (Yekaterinburg) (20 min.)

From theory to practice. Guselkumab in the treatment of patients with psoriasis – a real-life experience

Kruglova L.S. (Moscow) (20 min.)

IL-23 inhibitors in psoriasis therapy. Clinical cases

N.V. Nekrasova (Kaliningrad) (20 min.)

Discussion (10 min.)

15:00 - 16:30

Symposium

What is new in psoriasis therapy. Free communication

Moderators: Zagrebneva A.I., Shatokhina E.A.

Biologic drugs in patients with psoriasis and psoriatic arthritis – practical aspects

Pavlovsky L. (Tel Aviv, Israel) (15 min.)

Hepatic comorbidity in psoriasis: relationship and treatment options

Kruglova L.S. (Moscow) (15 min.)

Towards freedom of movement. Ixekizumab in the treatment of psoriatic arthritis

Zagrebneva A.I. (Moscow) (20 min.)

Real-life experience with ixekizumab

Shatokhina E.A. (Moscow) (25 min.)

Discussion (15 min.)

Hall №2

11:00 - 13:00

Satellite symposium

Xerosis cutis as an interdisciplinary problem

Moderators: Lvov A.N., Sokolovskiy E.V.

Xerosis as a universal disorder in dermatology

Sokolovsky E.V. (St. Petersburg) (20 min.)

Main factors in the development of xerosis cutis

Araviyskaya E.A. (St. Petersburg) (20 min.)

Key Lecture

State-of-the-art treatment of xerosis: a practical approach in the light of recent research on the structure and function of the skin

Enzo Berardesca (Rome, Italy) (30 min.)

Current view on problems of atopic dermatitis

Tamrazova O.B. (Moscow) (20 min.)

Decreased quality of life in patients with xerosis as a key disorganizing phenomenon

Lvov A.N. (Moscow) (20 min.)

Discussion (10 min.)

13:15 - 14:45

Satellite symposium

Atopic dermatitis and alopecia areata: relationship and interaction

Chairman: Lvov A.N.

Introduction (5 min.)

Pathophysiological and immunological mechanisms of atopic dermatitis and alopecia areata development

Lvov A.N. (Moscow) (25 min.)

Alopecia areata and atopic dermatitis in the adult patient population

Gadzhigoroeva A.G. (Moscow) (25 min.)

Atopic dermatitis and alopecia areata in pediatric dermatology

Murashkin N.N. (Moscow) (25 min.)

Discussion (10 min.)

15:00- 15:30

Keynote Lecture

Skin manifestations of endocrine pathology

Corresponding Member of RAS Fadeev V.V. (Moscow) (30 min.)

15:30-16:15

Satellite symposium

How to improve the course of comorbidities in patients with skin diseases

Moderator: Sokolovsky E.V.

Xerosis in adults with dermatoses and beyond ...

Sokolovsky E.V. (St. Petersburg) (15 min.)

Stress and skin - reinventing well-known facts

Araviyskaya E.A. (St. Petersburg) (15 min.)

Dermatocosmetics for acne: a marketing ploy or a necessity?

Kruglova L.S. (Moscow) (15 min.)

16:15 – 16:30

Discussion (15 min.)

Hall №3

11:00 - 11:30

Key Lecture

Acne: pathogenetic signaling pathways and the microbiome

Bridgite DRENO (Nantes, France) (30 min.)

11:30 - 12:15

Satellite symposium

The place of dermatocosmetics in the algorithms for the treatment of skin diseases. In the aid of practicing physician.

Moderators: Olisova O.Yu., Smirnova I.O., Tamrazova O.B.

Innovative dermatocosmetics for the prevention of comedones

Olisova O.Yu. (Moscow) (15 min.)

Sensitive skin syndrome - myth or reality?

Smirnova I.O. (St. Petersburg) (15 min.)

Management strategies for intertrigo and other skin lesions

Tamrazova O.B. (Moscow) (15 min.)

12: 15-12:30

Discussion (15 min.)

12:45 - 13:30

Satellite symposium

Acne and rosacea - expert recommendations: what should the practitioner focus on today?

Moderators: Araviyskaya E.A., Olisova O.Yu., Snarskaya E.S.

Acne - a review of international and Russian clinical guidelines with an expert assessment of their practical application

Araviyskaya E.A. (St. Petersburg) (20 min.)

Rosacea - international concepts in therapy: from CLEAR - "clear skin" to BURDEN - "reduction of the disease burden" with a professorial analysis of clinical cases

Olisova O.Yu., Snarskaya E.S. (Moscow) (20 min.)

13:30 - 13:45

Questions and answers (5 min.)

Discussion (10 min.)

14:00 - 15:30

Symposium

Advances in acne research

Moderators: Samtsov A., Sidorenko O., Drozhdina M.B.

Topical acne therapy: traditions and innovations

Samtsov A.V. (St. Petersburg) (15 min.)

Systemic isotretinoin. Expanding the horizons of application

Drozhdina M.B. (Kirov) (15 min.)

Skin pigmentation issues: from theory to practice

Sidorenko O.A. (Rostov-on-Don) (15 min.)

Topical acne therapy: a new form of familiar remedies

Dontsova E.V. (Voronezh) (15 min.)

Acne treatment with systemic isotretinoin: questions and answers

Lvov A.N. (Moscow) (15 min.)

Discussion (15 min.)

15:45 - 17:15

Symposium

Current issues in trichology

Moderator: Gadzhigoroeva A.G.

New paradigms in the treatment of hair diseases

Gadzhigoroeva A.G. (Moscow) (15 min.)

Lichen planus therapy

Vavilov V.V. (Moscow) (15 min.)

Diagnostic algorithm for androgenetic alopecia

Tsimbalenko T.V. (Moscow) (15 min.)

Can minoxidil resistance be fought?

Khaldina M.V. (Moscow) (15 min.)

Psychotypes of patients with alopecia

Romanova Yu.Yu. (Moscow) (15 min.)

Discussion (15 min.)

Hall №4

11:00 – 13:00

Symposium

Aesthetic dentistry

Moderators: Kozlova M.V., Boykov M.I.

Ultrasound scans in the diagnosis and treatment monitoring of the maxillofacial area lymphedema

Vozgoment O.V., Nadtochiy A.G., Semkin V.A., Ivanova A.A. (15 min.)

Evaluation of the effectiveness of orbital reconstruction with soft tissue flaps in combination with ectoprosthesis after exenteration

Sipkin A.M., Chumakov A.V. (Moscow) (15 min.)

Improvement of methods: surgical treatment of patients with persistent facial nerve paralysis

Tsiklin I.L., Bezdenezhnykh D.S., Sechko K.O. (Moscow) (20 min.)

Sjogren syndrome in a dental practice

Kozlova M.V., Arutyunyan B.A. (Moscow) (15 min.)

Aesthetic and functional benefits of disilicate glass-ceramic veneers (LDSVs)

Boykov M.I. (Moscow) (20 min.)

Botulinum toxin type A in the prevention of postoperative salivary fistula and sialoceles

Utiashvili N.I., Sipkin A.M. (Moscow) (15 min.)

Role of digital technologies in aesthetic dentistry

Kozlova M.V., Solodkaya D.V. (Moscow) (20 min.)

13:15 – 15:15

Symposium

Gastroenterology and Eating Disorder. Bariatric surgery. Aesthetic proctology

Moderators: Minushkin O.N., Bashankaev B.N.

Cytoprotection in gastroenterology and dermatology

Minushkin O.N. (Moscow) (20 min.)

Aesthetic proctology: basics

Bashankaev B.N. (Moscow) (20 min.)

Gut microbiota: what do we know and what can we do?

Ardatskaya M.D. (Moscow) (20 min.)

Human placenta hydrolysate in clinical practice

Minushkin O.N. (Moscow) (20 min.)

Skin appearance in patients before bariatric surgery and after a massive weight loss in plastic surgery

Ilyina N.D. (Moscow) (20 min.)

Microbiome theory of aging in the perspective of integrative medicine

Agafonova E.V. (Moscow) (20 min.)

15:30-17:20

Symposium

Infectious pathology of the XXI century: challenges and ways to overcome

Moderators: Vershinina M.G., Devyatkin A.V., Gomberg M.A.

Expertise in the laboratory medicine in the COVID-19 era: expert experience

Vershinina M.G. (Moscow) (30 min.)

COVID-19: clinical picture changes

Devyatkin A.V. (Moscow) (30 min.)

Sexually transmitted viral infections: what's new?

Gomberg M.A. (Moscow) (30 min.)

Rehabilitation after COVID-19: integrated programs

Gusakova E.V. (Moscow) (20 min.)

Hall №5

International program

12:00 – 13:30

Symposium

Supported by the International Society of Dermatology

Chairperson: Nellie Konnikov

Dermatosurgery: yesterday, today, tomorrow.

Nellie Konnikov, Professor, the president of International Society of Dermatology (Boston USA) (20 min.)

The Mohs micrographic surgery as standard of treatment for non-melanoma skin cancer

Ross Zeltser, MD, (USA) (20 min.)

Progression and risks of squamous cell skin cancer

Anar Mikailov, Director, Lahey Hospital & Medical Center, Lecturer, Harvard Medical School (USA) (20 min.)

Clinical presentation, current diagnostic techniques, and clinical management of autoimmune bullous diseases.

Abdul Razzaque Ahmed, professor of Dermatology, Tufts University School of medicine director center for Blistering Diseases (15 мин.)

Reversal of autoimmunity using a combination of rituximab and IVIg.

Abdul Razzaque Ahmed/ professor of Dermatology, Tufts University School of medicine director center for Blistering Diseases (15 мин.)

13:45 – 14:05

Interactive symposium of CIS countries

Virtual tour to the Department of Dermatovenerology and Dermatocosmetology of Astana Medical University

(Nursultan, Kazakhstan) (15min.)

Virtual tour to the Republican Center of Dermatovenerology and Cosmetology of the Ministry

of Health of the Republic of Uzbekistan

(Tashkent, Uzbekistan) (5 min.)

Opinion exchange

14:15-16:30

Symposium «Integrative Medicine»

Moderators: Gryazeva N.V., Yakovlev A.B., Mishina O.S.

The use of traditional Chinese medicine in the treatment of skin Diseases

Ma Jian, Professor, Director of the Qicun Medical Center of Weinan City District (Shaanxi Province, China) (15 min.)

Integrative dermatology and telemedicine: a pilot project to create an interactive digital platform

Korovin E.V. (Moscow) (15 min.)

The problem of diagnosing acne inversa

Teplyuk N.P., Pirogova A.S. (Moscow) (15 min.)

Exposome and its role in the development of acne

Gryazeva N.V. (Moscow) (15 min.)

Modern clinical features and therapy of *Microsporum* spp. and *Trichophyton* spp. infections

Yakovlev A.B. (Moscow) (15 min.)

Review of recommendations for the treatment of ANCA-associated systemic vasculitis American College of Rheumatology/Vasculitis Foundation – 2021

Beketova T.V. (Moscow) (15 min.)

Skin diseases associated with diabetes mellitus

Ladygina D.O. (Moscow) (15 min.)

Cutaneous and systemic mastocytosis. The role of dermatologists in the diagnosis and early detection of hemoblastosis

E.A. Shatokhina (Moscow) (15 min.)

Unmet needs of patients with skin diseases: a patient's perspective

Mishina O.S. (Moscow) (15 min.)

Hall №6

11:00 - 13:10

Session 1

Actual problems of modern cosmetology: discussing with colleagues of related specialties

Co-chairs: E.V. Ikonnikova, T.V. Ileshina, N.V. Gryazeva

Medical cosmetology as a medical specialty.

Yutskovskaya Ya.A. (Moscow) (20 min.)

Features of skin changes after COVID-19 infection. Key recommendations for effective and safe aesthetic procedures.

Zhaboeva S.L. (Kazan) (20 min.)

Cosmetic cream and serum: the view of a chemist, biologist and consumer.

Hernandez E.I. (Moscow) (15 min.)

Oxidative stress as a cause of premature aging. SMART-diagnostics and treatment.

Kalinchenko S.Yu. (Moscow) (15 min.)

Acne and microbiota.

Gryazeva N.V. (Moscow) (15 min.)

Skin condition in patients before bariatric surgery and after massive weight loss from the point of view of a plastic surgeon.

Bordan N.S. (Moscow) (15 min.)

Lipofilling or hyaluronic acid injections: map of individual indications.

Orlova Yu.M. (Moscow) (15 min.)

Beauty injections during a pandemic: What? Where? When?

Bondarenko V.V. (Moscow) (15 min.)

13:15 - 15:15

Session 2

Successful diagnostics and therapy in dermatological and cosmetological practice

Co-chairs: A.V. Zubarev, E.V. Ikonnikova, S.B. Potkin, V.E. Gazhonova

New opportunities in ultrasound diagnostics of skin with high-frequency sensors.

A.V. Zubarev (Moscow) (20 min.)

Complications after cosmetic procedures through the eyes of a cosmetologist.

E.V. Ikonnikova (Moscow) (20 min.)

Complications after cosmetic procedures through the eyes of a sonologist.

Potkin S.B. (Moscow) (20 min.)

Alertness for breast cancer at a dermatologist appointment.

Gazhonova V.E. (Moscow) (20 min.)

Treatment strategies for vascular complications with the introduction of calcium hydroxyapatite. Clinical case.

Zharkova E.N. (Moscow) (20 min.)

A rare type of periorbital complications after correction of the tear trough.

E.V. Ikonnikova (Moscow) (20 min.)

15:30 - 17:20

Session 3

Plasma therapy: analyzing the capabilities of the method and the range of indications for use

Co-chairs: A.Yu. Alenichev, E.A. Chaikovskaya, E.V. Ikonnikova

The role of medications and techniques that improve regeneration during hardware cosmetology procedures. Optimal solutions.

Alenichev A.Yu. (Moscow) (20 min.)

Pathophysiological rationale for the use of autologous plasma in the therapy of botuloneuroprotein hypercorrection.

Glagoleva E.N. (Moscow) (20 min.)

Clinical aspects of the use of "Cellular matrix" for women in menopause.

Ivanova E.V. (Moscow) (20 min.)

PRP in traumatology and orthopedics. Rejuvenation of the musculoskeletal system: treatment, regeneration, renewal.

Gaev T.G. (Moscow) (20 min.)

Platelet Plasma: reassessing values.

Chaikovskaya E.A. (Moscow) (20 min.)

Discussion (10 min.)

Hall №7

11:00 - 13:45

Symposium

Hardware technologies: therapy protocols and effective combinations of techniques

Co-chairs: A.G. Stenko, A.R. Nogerov, K.A. Novikov

"Cold technologies" in the atrophic cicatricial skin changes correction.

Novikov K.A. (Moscow) (20 min.)

Compaction of face fat packs.

Bragina I.Yu. (Moscow) (20 min.)

An integrated approach to the treatment of stretch marks.

Stenko A.G. (Moscow) (20 min.)

Experience of using microfocused ultrasound in combination with PRP-therapy for various morphotypes of aging.

T.V. Stepanova (Moscow) (20 min.)

Differentiated approach to patient selection for monopolar radiofrequency lifting procedure.

Akhmedbaeva I.A. (Moscow) (15 min.)

The use of a CO₂ laser for involutive skin changes depending on the morphotype.

Baranova E.L. (Moscow) (15 min.)

Combination of non-ablative fractional photothermolysis and broadband light in the correction of involutive skin processes.

Demidion D.V. (Moscow) (15 min.)

Features of CO₂ laser skin resurfacing of the upper and lower eyelids.

Kirsanova L.V. (Moscow) (20 min.)

Photodynamic therapy in the rosacea therapy algorithm.

Sofinskaya G.V. (Moscow) (20 min.)

14:00 - 16:30

Symposium

Injection methods: safe and effective. Analyzing the nuances of practical use

Co-chairs: E.V. Ikonnikova, A.V. Igoshina, A.A. Sharova

Distribution of various hyaluronic acid- based fillers in the dermis depending on the physicochemical properties.

Yusova Zh.Yu. (Moscow) (20 min.)

The effect of the solvent on the effectiveness of botulinum therapy.

Sharova A.A. (Moscow) (30 min.)

The role of hyaluronic acid in complex protocols for the correction of involutive skin changes.

A.V. Igoshina (Moscow) (20 min.)

ReVOLUXion effect in face sculpting.

Fedorov D.V. (Moscow) (20 min.)

Synergy effect of the Firm & Lyft technique.

A.R. Nogerov (Moscow) (20 min.)

Current views on stretch marks correction methods.

Petriy M.A. (Moscow) (20 min.)

Thread lifting in "youth". When to start so that it's "not too late"?

Agapova M.A. (Moscow) (20 min.)

Saturday, 11 December, 2021

Day 2

Hall №1

10:30-12:00

Satellite Symposium

Atopic dermatitis and chronic idiopathic urticaria: controversial issues of therapy and disease control

Co-chairs: Kruglova L.S., Lvov A.N.

Review of recommendations and clinical practice reality

Lviv A.N., Kruglova L.S. (15 min.)

Complex issues in the treatment of chronic idiopathic urticaria

Fedenko E.S. (15 min.)

Personalized approach to the treatment of pruritus. Focus on efficacy and safety in the context of long-term use of antihistamines

Tataurshchikova N.S. (15 min.)

Atopic dermatitis: important aspects in disease control

Samtsov A.V. (15 min.)

Pathogenetic approach to the selection of emollients for atopic dermatitis

Bakulev A.L. (15 min.)

Profiles of patients with atopic dermatitis

Tamrazova O.B. (15 min.)

12:15 – 13:00

Satellite symposium

Dermatitis and eczema: differential diagnosis and approaches to therapy

Bakulev A.L. (40 min.)

Questions and answers (5 min.)

13:00 – 13:15

Discussion (15 min.)

13:30 – 14:15

Satellite symposium

Atopic dermatitis as a field for targeted therapy: how to help a difficult patient?

Moderators: Kruglova L.S., Lvov A.N.

Atopic dermatitis as a systemic disease

Fedenko E.S. (Moscow) (10 min.)

Biologic therapy for atopic dermatitis: from clinical guidelines to real patients

Kokhan M.M. (Yekaterinburg) (10 min.)

Possibilities for long-term management of atopic dermatitis

Ziganshin O.R. (Chelyabinsk) (10 min.)

Clinical experience: patients with atopic dermatitis before and during biologic therapy

Shatokhina E.A. (Moscow) (10 min.)

Questions and answers (5 min.)

14:15 – 14:30

Discussion (15 min.)

14:45 – 15:45

Symposium

Psychodermatology: current problems and prospects

Moderators: Samushia M.A., Romanov D.V.

Fundamentals of the communicative competence of a modern doctor

Samushia M.A. (Moscow) (15 min.)

Psychosomatic disorders in dermatovenerology and cosmetology

Medvedev V.E. (Moscow) (15 min.)

Disorders of body image in dermatology

Romanov D.V. (Moscow) (15 min.)

Skin disorders masking mental pathology. Dramatic analysis

Lvov A.N. (Moscow) (15 min.)

16:00 – 17:30

Master class:

Skin neoplasms and dermatoses: New dermatological signs. Don't miss it!

Moderator: Michenko A.V. (Moscow)

- Which criteria can be safely relied on in the differential diagnosis of neoplasms and non-neoplastic dermatoses?
- How does dermoscopy change our management strategies for daily patients?
- What new diagnostic/dermoscopic criteria are being adopted by the clinicians?
- We are open to your questions and active discussion at the masterclass!

Hall №2

10:00 - 10:45

Satellite symposium

The cornerstones of the treatment of complicated dermatoses

Moderators: Matushevskaya E.V., Khlebnikova A.N., Olkhovskaya K.B.

Prevention and treatment of complications in cosmetology practice

Matushevskaya E.V. (Moscow) (15 min.)

Dermatoses of body folds.

Khlebnikova A.N. (Moscow) (15 min.)

Combined topical treatment for atopic dermatitis

Olkhovskaya K.B. (Moscow) (15 min.)

10:45 -11:00 **Discussion**

11:00-11:15 **Break**

11:15 – 12:00

Satellite symposium

Primary cutaneous lymphomas - "Bermuda triangle" of problems

Moderator: Lvov A.N.

Primary cutaneous lymphomas - "many-sided and mysterious" - what do we know about them?

Lvov A.N. (Moscow) (15 min.)

Moving towards a diagnosis: how to overcome "hills and bumps"

Kokhan M.M. (Yekaterinburg) (15 min.)

Putting together a therapeutic puzzle: new and promising

Gorenkova L.G. (Moscow) (15 min.)

12:00 – 12:15

Discussion (15 min.)

12:30 – 14:00

Symposium

Supportive dermatooncology as a novel interdisciplinary field

Moderators: Shatokhina E.A., Orlova E.V.

Management of dermatologic toxicities of cancer therapies. Who is in charge?

Shatokhina E.A. (Moscow) (15 min.)

Acneiform rash associated with targeted cancer therapy: effective prevention, optimal treatment

Kruglova L.S. (Moscow) (15 min.)

Current approaches in the supportive treatment of solid tumors

Orlova E.V. (Moscow) (15 min.)

Specific features and management of skin appendages disorders associated with targeted cancer therapies

Polonskaia A.S. (Moscow) (15 min.)

Dermoscopy in the differential diagnosis of dermatological adverse events from cancer therapies: is it worth waiting for help?

Michenko A.V. (Moscow) (10 min.)

Skin toxicity: new challenges, modern approaches

Smirnova L.M., Gabrielyan G.A., Sekacheva M.I. (Moscow) (10 min.)

Immune-related dermatologic adverse events associated with checkpoint inhibitor therapy (PD-1 / PD-L1)

Shatokhina E.A. (Moscow) (10 min.)

14:15 – 16:00

Symposium

Advances in the diagnosis, therapy and prevention of skin neoplasms

Moderators: Titov K.S., Michenko A.V.

Key Lecture

Evidence-based medicine and modern digital technologies in the diagnosis of neoplasms and skin cancer

Raimonds Karls (Riga, Latvia) (30 min.)

Key Lecture

Artificial intelligence in the early detection of skin cancer and melanoma

Holger Hänßle (Germany) (30 min.)

Modern possibilities of immunotherapy of inoperable and metastatic skin melanoma

Titov K.S. (Moscow) (30 min.)

Dark photochemistry and photoprotection

Shlivko I.L. (Nizhny Novgorod) (15 min.)

16:00 – 17:30

Symposium

In search of reliable criteria: clinical and dermoscopic comparisons

Moderators: Michenko A.V., Titov K.S., Shlivko I.L.

Dysplastic nevi vs early melanomas

Sergeev Yu.Yu. (Moscow) (15 min.)

Melanomas in children vs melanomas in adults

Belysheva T.S. (Moscow) (15 min.)

Melanomas vs stimulants of melanomas

Garanina O.E., Shlivko I.L. (Nizhny Novgorod) (15 min.)

Squamous cell carcinoma vs benign epithelial neoplasms

Yakushenko S.S. (Moscow) (15 min.)

Amelanotic melanomas vs non-pigmented neoplasms and dermatoses

A.V. Michenko (Moscow) (15 min.)

Melanonychia vs subungual melanoma

Titov K.S., Tsykin A.A., Kazakov A.M. (Moscow) (15 min.)

Hall №3

10:00 – 11:30

Symposium

Treatment of skin diseases: specific algorithms and schemes for a practicing doctor (I)

Moderators: Haldin A.A., Kotrekhova L.P.

Eczema: algorithm of topical treatment and prevention in children and adults

Haldin A.A. (Moscow) (15 min.)

Rational therapy of atopic dermatitis associated with bacterial and mycotic infection

Sokolova T.V. (Moscow) (15 min.)

Effective combinations in the complex therapy of skin and nail fungal infections

Kotrekhova L.P. (Saint Petersburg) (15 min.)

Dermatitis: evidence-based treatment

Matushevskaya E.V. (Moscow) (15 min.)

Innovative possibilities of microbiome correction and infection control

Khlebnikova A.N. (Moscow) (15 min.)

Discussion (15 min.)

11:45 – 12:15

Key Lecture

New insights into hyperpigmentation: solutions in clinical practice

Prof. Thierry Passeron (Nice, France) (30 min.)

12:15-13:45

Satellite symposium

Melanin hyperpigmentation: types and ways of correction

Araviyskaya E.A.

A new view on melanogenesis

Okhlopkov V.A. (Moscow) (20 min.)

Melasma: treatment cannot be resigned - triggers, features and correction

Araviyskaya E.A (St. Petersburg) (30 min.)

Does acne leave marks? Post-acne correction and prevention

Kruglova L.S. (Moscow) (30 min.)

Discussion (10 min.)

14:00 – 15:45

Symposium

Treatment of skin diseases: specific algorithms and schemes for a practicing doctor (II)

Moderators: Samtsov A.V., Kotrekhova L.P.

A modern view on bacterial and fungal skin infections

L.P. Kotrekhova (St. Petersburg) (30 min.)

Dermatoses associated with Malassezia fungi. Diagnostics and treatment

Samtsov A.V. (St. Petersburg) (15 min.)

Seborrheic dermatitis: systemic and topical therapy possibilities

Kruglova L.S. (Moscow) (15 min.)

Effective laser control of psoriasis

Surkichin S.I. (Moscow) (15 min.)

Skin lesions of cosmetically significant areas in psoriasis and the "burden of disease": mutual influences

Lvov A.N. (Moscow) (15 min.)

Vitamin D in dermatology: to be or not to be?

Matushevskaya E.V. (Moscow) (15 min.)

Hall №4

10:00 – 12:00

Symposium

Aesthetic gynecology

Moderators: Apolikhina I.A., Surkichin S.I.

Vulvology and aesthetic gynecology: what's new?

Apolikhina I.A. (Moscow) (20 min.)

Our experience in injectable carboxytherapy in the practice of gynecologist *Saidova A.S. (Moscow) (15 min.)*

Dynamic quadripolar radiowave in the treatment of vulvar diseases

Teterina T.A. (Moscow) (15 min.)

Combined therapy of vulvar lichen sclerosus

Surkichin S.I., Apolikhina I.A. (Moscow) (15 min.)

Modern possibilities of correction of scars and striae

Chernukha L.V. (Moscow) (15 min.)

Intimate contouring: new horizons

Kazakova S.N. (Moscow) (15 min.)

An integrated approach to the intimate zone hyperpigmentation therapy

Teterina T.A. (Moscow) (15 min.)

Discussion (10 min.)

Announcement of books on aesthetic gynecology, a textbook on PRP, information on schools and educational cycles, clinical research

12:15 – 13:15

Symposium

Reproductive health and STIs

Moderators Haldin A.A., Molochkov A.V., Khryanin A.A.

Anogenital warts: pathogenesis-based therapy and secondary prevention of relapses
